FORTY-ONE YEARS OLD | NILES, ALAMEDA COUNTY, CALIFORNIA, THURSDAY MORNING, MARCH 20, 1930 | NUMBER 51

GEORGE DONOVAN, PROMINENT CITIZEN, PASSES SATURDAY

Funeral Services Monday, Interment At Mission San Jose

Att his home in Niles, Saturday afternoon, March 15, after an illness of only a few short hours, George Lawrence Donovan slipped quietly into his last long sleep. His many friends, from every walk of life, mourn his passing, and feel that it is a great loss to the community. In life the deceased presented a great gift of loyal friendship to those with whom he came in contact, and perhaps the greatest tribute to his memory is that he was public minded; having the welfare and future of his home community always uppermost in his thoughts.

Mr. Donovan was born in San Francisco, in August, 1873, and came to Niles as a boy; growing to manhood with local people and those of the surrounding valley. He had been in the employ of the Pacific Gas and Electric Company for nearly twenty-eight years; advancing steadily until he was appointed district manager of Niles territory. Among his most cherished friends were those with whom he came in contact in his business pursuits.

He was a charter member of Niles Parlor, Native Sons of the Golden West; filling every office of the organization at some time during the past thirty years. He had also been a member of the Niles Chamber of Commerce since its founding and was a consistant, enthusiastic supporter of any civic improvement project attempted by that body. His most earnest and valued work was the determined effort expended to assist in conserving the water supply for this district.

Mr. Donovan was organist of

(Continued on Page Two)

NILES SCOUTS RECEIVE MERIT BADGES TUESDAY

COURT OF HONOR was held for Boy Scouts of this district Tuesday night, March 18, at Centerville. Those of Niles troop, No. 1, receiving merit badges were as follows:

Carpentry, Lawrence Pine; cooking, Arnold Abrott, Morrison Green, and Everett Mendenhall; cycling, Melvin Farmer; handcraft, Phillip Sousa; first aid, George Frontz, and Jackson Townsend; first aid to animals, Phillip Sousa, Everett Mendenhall, Lawrence Pine, and Jackson Townsend; personal health, Arnold Abrott. In second class James Graham received a badge, and in first class Howard Rose, and James Geib received them, Star scouts are Everett Mendenhall and Phillip Sousa.

J. LUCAS RUSHED TO HOSPITAL ON MONDAY EVENING

Joseph Lucas, of Lucas Brothers Wrecking Company, was rushed to the San Jose hospital for an operation on his lungs, Monday night. At present he is improving very slowly. The serious condition of his lungs was brought on by an attack of double pneumonia, from which he was just recovering. His lungs were affected, and due to functional weakness the mucus collected there and became poisoned.

Friends of the youth hope for his early and complete recovery, and are awaiting anxiously further word from his bedside.

Rose Garage Delivers Three New Studebakers

Myron Harris, well known Oakland attorney, has just received delivery of a Studebaker President eight brougham, from the Rose garage, Niles. Two other Studebaker models were delivered in this territory—one to Harry Goularte, of Decoto, a sport Dictator eight sedan, and a President eight brougham to Ed. Rose, proprietor of Rose Garage.

ODD FELLOWS HAVE CELEBRATION FOR 38TH ANNIVERSARY

Rebekahs Serve Banquet To Assembly Of One Hundred

Niles lodge of the Independent Order of Odd Fellows held a meeting Monday night, in celebration of the founding of this branch of the oranization, thirty-eight years ago. Roy Rose, of Niles Canyon, acted as master of ceremonies. Speakers were W. H. Ford, and George Edgar, former principal of the Niles Grammar school, and now of Oakland. Roll call was held also.

Lodges from Livermore, Pleasanton, Alvarado, and Irvington were represented. The assembly approximating 100 persons in all.

Following the business of the evening members of Niles Rebekah lodge served a sumptuous banquet to those present.

It was reported that plans for the new Odd Fellows' building, to be erected on the site of the one now in use, were still being considered, and perfected by the committee. Architects have submitted building plans of various types, decision not being made as yet.

"BOND ISSUE WISE MOVE," DECLARES ED. HYATT

"It is surely a wise move to buy out the pumping rights at Alvarado. I have always considered the big diversion at Alvarado the greatest menace to the district. I certainly approve the bond issue March 25."

This is a statement given to Secretary Runckel by State Engineer Edward Hyatt in a personal interview at Sacramento last week.

It is not so much because Mr. Hyatt is state engineer that we value his opinion. He was one of the engineers of the State Water Commission that spent four years in gathering the data in our local water problem. He knows what he is talking about The above statement was voluntarily offered with permission to publish it if we cared to do so. State Enginer Hyatt has always been friendly to our district. The following is published for the first time. When the East Bay Municipal Utility was seeking the flood water rights on the Mokelumne, the Lodi farmers wanted a clause inserted in the permit, that would compel the Utility District to continue pumping at Alvarado and use that source to its fullest capacity before using the Mokelumne supply.

Mr. Hyatt not only refused the request but told the officials of the Utility District that the farmers of the Alameda County Water District should have the first chance to acquire tthe pumping rights at Alvarado when the Mokelumne supply was brought in.

CONGREGATIONAL MEETING AT IRVINGTON

An important congregational meeting is to be held Sunday, March 23, at Irvington Community church. All members are urged to attend, for the program planned for the day promises to be exceptional.

Dr. M. Mathes will officiate in Rev. John E. Moore's place and deliver the sermon these ministers having exchanged positions for the time being.

GREAT IMPROVEMENT SEEN IN CONDITION OF NILES STREETS

Large Construction Crew Places 2,000 Yards Of Gravel Daily

Preparation for oiling the back streets of Niles is progressing rapidly. One-third of the grading and filling is completed, and now ready for the gravel to be laid. The streets in condition for this part of the work are Second, Third, J, F. H. and I. Approximately 2,000 yards of gravel is being used per day. Eighteen men are employed for construciton, and three trucks and two graders are in use.

Through the effort of Ralph V. Richmond, supervisor for this district, the actual work was made possible. He went to bat, in the parlance of the street, and an adequate appropriation to take care of the work was voted. As a result of his good politics, Niles is to have streets that any town may well be proud of.

During the winter months one will not need to dread the crossing of streets, in years to come, for fear of mud, and in the summer months, during the dry, hot period, the choking dust of other days will be pleasingly absent. Niles, naturally, then will be a cleaner, more attractive town for the improvement soon to be completed by the road department of Alameda county. Few cities in this part of the state can boast of such pronounced betterment of its thoroughfares than Niles.

People here are beginning to realize the value of making the city live up to its possibilities; and that of course can only be done when citizens of every walk of life enter enthusiastically into civic affairs.

One cannot expect to take a dry husk and produce ripe golden coin. To receive dividends and investment must be made. That does not necessarily mean that money must be spent. Time, or suggestions can often accomplish more than large sums of money.

There are, fortunately, men in this community who are public minded, and they are giving time, thought and untold effort to put Niles where it rightfully belongs. They desire, and mean to make, Niles a center of industry; of active business undertakings; a place where real live interests exist, and a spot where parents will desire to make homes for their children; where young lives may be free from the baneful influences of sordid surroundings. These are the golden returns for the civic investments one makes in a community.

Boost Niles and Niles will boost the booster.

SON IS BORN TO MR. AND MRS. RHODES THURSDAY EVENING

Master Lloyd H. Rhodes, Jr., was added to the ranks of the profession of newspaper reporter, or printer Thursday evening, March 6. The embryo professional man made his appearance at the Three Link Hospital in Livermore at 10 o'clock Thursday evening, the son of Mr. and Mrs. Lloyd H. Rhodes, manager of the Pleasanton Times.

Master Rhodes in his first interview with the press declared this is a wonderful world, so far as he could see, which wasn't much at the current writing.

"So long as I continue to get six square meals a day, I should worry," he concluded as he began munching a piece of old type that had fallen from his father's pocket.

The youngster weighed six and three-quarter pounds. Both he and his mother are doing nicely and returned to their home in Pleasanton Sunday.

Mr. Rhodes was connected with the Register for a month last fall, and will be remembered by many people here.

PARENT-TEACHERS COUNCIL MEETING HELD ON THURSDAY

Delegates Will Gather At Mission San Jose School

The monthly council meeting of the nine chapters of the Parents-Teachers association of Eastern Alameda district, will be held at Mission San Jose Grammar school on Thursday, March 20. An all-day session will be held; those attending providing lunches for the occasion.

Regular business will be discussed and reports of officers given. Mrs. Harvey Braun, president of the Niles chapter, accompanied by other delegates, will represent this territory.

Watsonville—Studebaker Garage of Roy Wittschen purchased by W. H. Crowe and sons.

General District Election To Be Held Next Tuesday

General district election for Alameda County Water district is to be held March 25, 1930, and is to be consolidated with a special bond election to be held that same day. The proposition that is to be presented to the public is as follows:

Shall Alameda County Water District incur a bonded indebtedness in the sum of $250,000 for the purpose of acquiring a waterworks system, including lands, water, water rights, watersheds, wells, rights of way, pumps, pumping plants, reservoirs, storage facilities, pipe lines, canals, conduits, mains, machinery and privileges useful or necessary to convey, supply, store or otherwise make use of water for the benefit of said district?

The ballot should be marked with a cross, (X), and only with a rubber stamp, never a pen or pencil. Directions are marked very plainly, and should be read carefully. If the ballot becomes defaced or marked wrongly, destroy it beyond a state of usefulness, and obtain another from the officer of election.

Following the general district election two elections for school trustees will be held, on March 28, (last Frlday). One for trustees of Washington Union High school, and the second for Niles Grammar school. Candidates for trusteeship of the High school are M. J. Overacker, Mission San Jose, re-election, and M. D. Silva, of Newark. The polls will be open in the various precincts from twelve o'clock noon to six o'clock, p. m.

The election for Niles Grammar school trustee will be held from twelve noon to six o'clock, p. m., also, and J. D. Gomes has announced his candidacy for re-election. One trustee is to be elected to hold office over a period of three years.

All citizens are urged to vote, for this is a question vital to the children, and the community. The office of school trustee is not to be held for any hope of gain, for it is entirely without remuneration. The men who take these positions have the good of the community in mind, and therefore work for the betterment of school conditions that your child may safely attend classes, and have careful attention meanwhile.

COMING EVENTS CAST THEIR SHADOWS BEFORE

REGISTER'S FRATERNAL, SOCIAL AND AMUSEMENT CALENDAR

March 20—Parents-Teachers Council Meeting, Mission San Jose.
March 21—Camp Fire Girls Banquet, Congregational Church.
March 22—Return Dance, Terry's orchestra, Garden of Allah.
March 25—Township Garden Club meeting.
March 25—Meeting of Toyon Branch of Southern Alameda County Baby Hospital.

Annual Wild Flower Show Sponsored By Niles Chamber

The weekly luncheon meeting of Niles Chamber of Commerce, held at the Florence Restaurant, Tuesday, March 18, was opened and presided over by President L. E. Smith, and all ranking officers of the body were in attendance.

Various bills and communications were examined, and a letter was read from the Rockridge Improvement Club regarding the formation of a political club in this territory. No action was taken in connection with this matter.

George C. Roeding, Jr., reported that he had just returned from a trip to Sacramento, and while there had been in conference with an assistant of Mr. Meek, who assured him that the subject of landscaping that portion of property immediately outside of Niles, on the Hayward highway, had not been tabled, but was still alive and would receive the attention of the State Highway Commission.

The matter of the Annual Wildflower show was introduced and discussed. Jack Williamson reported that a total of 102 inches of newspaper space had been given to the subject of the 1929 show. J. E. Townsend reported that Niles Scouts, troop No. 1, would again be glad to assist in gathering the flowers. On a motion made by H. Braun, past-president of the chamber, and seconded by William Helm, it was

EDITORIAL COMMENT

By NORMAN H. PARKS, Publisher Register

A SPLENDID MAN

George Donovan is dead!

This news, in hushed tones, was passed from mouth to mouth late Saturday afternoon by men and women and children whose faces were drawn with pain and sorrow. The suddenness of Donovan's death stunned the city, and threw the community into mourning.

** * **

George Donovan was an unusual man. His fine personality, sterling integrity, and the magnanimity of his contact with those from whom he might differ in opinion, marked him as a character to be loved and respected.

It is not going too far to say that no one in South Alameda county had more friends than George Donovan. He won no great wealth, nor did he reach out for material emoluments. Every day, rather, he attempted, and succeeded in that attempt, to radiate sunshine where darkness had before oppressed a friend, an acquaintance, perhaps an utter stranger. Everywhere he went he spread the gospel of goodfellowship. He had strength, too, and when right was assailed, no more valiant champion did justice have than he.

Donovan has gone from us and from amongst us, but his example of charity, of probiety, of true christianity shall live and aid many of us to be better men, finer women and more aspiring youths.

** * **

The writer's heart is sad, the heart of this great district is crushed by the suddenness with which our friend, and theirs, was taken from us. In this hour of poignant grief through which the surviving wife, sons, and relatives must pass, the community offers a deep and understanding sympathy.

AT ANY RATE VOTE

NEXT TUESDAY occurs the general election of the Alameda County Water District, at which the voters will endorse or reject the bond issue of $250,000. The object in raising this sum of money is to purchase the waterworks system at Alvarado, owned and operated by the Eastbay Water Company and Utility District. In the past as much as eight million gallons of water have been pumped and taken out of the district by this corporation. The drain on the underground water supply, used for irrigation purposes, has, naturally, been severe, and as several articles in the Township Register in the past have indicated, has lowered the water level to a point that indicated nothing short of an agricultural calamity to this township.

The proponents of the move to acquire these holdings at Alvarado and shut down the plant, point out, and very reasonably, that this will lead to an immediate rising of the water table, and in the course of a year or two the grave situation now confronting land owners will have passed.

The Register believes the bond issue should carry. Two hundred and fifty thousand dollars is nothing when the very productivity of the district's soil is in the balance. And that, unmistakably, is the situation—and a situation that must be faced and solved, regardless of the cost. The price of the system, experts say, is reasonable. A valuable property is offered at a nominal price.

For two hundred and fifty thousand dollars ths great agricultural district can alleviate, if not entirely remove, a water shortage that each year grows more acute, and even now has practically removed from profitable cultivation tens of thousands of acres of our best land.

The Township Register urges the voter to study the situation from every angle—and by all means take the trouble to vote. This paper believes thoroughly in the intelligence of the electorate, and does not seek to tell any man how he should vote; merely, in this instance, formulating its own opinion in the premises. We, however, trusts that no one will be influenced in opposing the bond election merely upon a mistaken policy of economy. That kind of economy

W. A. RICE REPORTS PROGRESS OF MAIN STREET PAVING JOB

Work on the Main street paving in Niles is progressing rapidly since the rain has stopped. Cement has been laid throughout Niles and final construction is being done on the unfinished portions of each side. It is expected, so stated W. A. Rice, resident engineer, that Friday will see the completion of the project.

The pavement now extends from Alameda Creek bridge, on the easterly outskirts of Niles, to the underpass at the northern extremity. Traffic has been slowed somewhat on account of the large crew of workmen, and the paving machinery, but each night the street is opened for the benefit of motorists; the cement being packed and hardened by that time to make passage on it possible.

Already a difference is noticed on the street. That portion which is completed provides ease of travel hardly ever equaled here before. Niles may well be proud of this project, for it is an attractive feature to those visiting or traveling through the city.

The width of the cemented area will be thirty feet, and the material being used is Union asphalt, a product of the Union Oil Company of California.

BANQUET GIVEN BY NATIVE SONS FOR OFFICERS, MARCH 6

Wisteria parlor, Native Sons of the Golden West, of Alvarado, entertained March 6, at a banquet in honor of Dr. Frank Gonzales, of San Francisco, who is grand vice-president of the order, and who was present in official capacity.

John Scribner was in charge of the banquet committee, and thirty guests were accomodated.

Frank T. Dusterberry and J. D. Norris, of Centerville, were present.

CHURCH SERVICES FOR CAMP FIRE GIRLS, SUNDAY

Reverend Brinkmeyer, pastor of the Niles Congregational church reports that attendence at the services on Sunday, March 16, broke a record of ten years. Eighty-two were present at the Sunday school, and all teachers were in charge.

Church services were devoted especially to the Niles group of Camp Fire girls; their work and ritual. Members of the group were attired in regulation uniform of middie and skirt; excepting those who wore ceremonial robes of the organization.

WILLIAM HAINES ON SCREEN AT FOX, FRIDAY

William Haines is known the length and breadth of the land as a young man who never takes "No" for an answer. Imagine his chagrin then, when "The Girl Said No" in M-G-M's all-dialogue picture at the Fox Oakland theatre starting Friday.

In the course of time he meets and falls for Leila Hyams. But when he suggests matrimony she vetoes the idea and he sets out to make her see the error of her ways. A second point of interest in the production is Marie Dressler's portrayal of Hettie Green, once America's wealthiest woman. Under the name of Hettie Brown she gives an intimate study of this diverting eccentric.

Fanchon and Marco's newest presentation, "Sunshine Idea," a resplendent stage revue with gorgeous settings, the Sunkist Beauties, Hermie King and a large cast of performers will show with the feature.

San Diego—Plans completed by Pacific Telephone and Telegraph company for the installation of additional switchboards in local long distance office at approximate expense of $35,000.

16th District Of Parent-Teachers Hold Meeting

The sixteenth district of the California Congress of Parents and Teachers will hold its next meeting in the Little Theater of Richmond Junior High school, on Monday, March 24, beginning at ten A. M., Mrs. W. B. Reynolds will preside in the chair.

Routine business and reports of officers and committees will occupy the morning session, and in the afternoon Miss Mary Davis, of the State Health department, will address the gathering.

At this meeting scrapbooks of publicity from all chapters of the district will be exhibited. Mrs. C. Martenstein, of the Niles chapter, will show the scrapbook made for this territory. These books later will compete in the national contest.

MORE ON George Donovan

(Continued from Page One)

the Corpus Christi church, of Niles, from the day services were first held there, and was music and song leader of the Men's Club of Washington Township since its organization. The band of Washington Union High school received a deal of assistance also, for Mr. Donovan was interested in the progress of the band members.

In following his business he was necessarily a visitor at practically every home in the valley, and in so doing had collected prize data concerning the historical Mission of San Jose, and surroundings. An historical pageant had just been completed by him, which was founded upon old Mission history; many years being spent to perfect it, and it had been hoped that its presentation might take place at the attractive amphitheater adjoining Mission San Jose.

Many of his delightful sketches of historical events had been written and published as well as his poems, which covered a wide range of subjects, and were in fact reflections of his happy, contented life in his beautiful home on the Niles-Mission San Jose highway.

Funeral services were conducted at his home at three o'clock Monday afternoon, March 17, and interment took place at Mission San Jose cemetery. Reverend Father Rose, of San Jose, officiated, and R. H. Hunt rendered a vocal solo entitled, "Lead Kindly Light."

Now the deceased, who was so greatly beloved by those he has left, lies in a quiet spot on a sunny slope, facing in the direction of his adored Mission Peak and the valley he loved so well. Few men have ever left such an heritage of good will and friendship, and the world is a better place because he lived.

Surviving him are his widow, Mrs. Rosalie Donovan, and two sons, Clement and Paul Donovan.

PREMIUM CARDS ARE OFFERED BY M. HADAD STORE

M. Hadad, proprietor of the popular Hadad clothing store, is featuring a special sale, and offering premium cards to the amount of $100.00 to those giving their patronage during this period.

Mr. Hadad announced that this opportunity has unusual possibilities for economy, and is exceptional in that the premium cards will be redeemed by either cash or merchandise; making it possible for you to effect a saving on each article purchased in the Hadad store.

The sale being featured at present is of winter clothing of various kinds, and also spring and summer costumes for all members of the family. Mr. Hadad invites you to call at his establishment and see for yourself the unbelieveable bargains displayed in shelves and counters.

CARD OF THANKS

The family of the late George L. Donovan wish to express their heart-felt thanks for the sympathy and flowers from their many friends.

VAPOR CLEANERS OFFER LOW PRICE ON CASH BASIS

The Vapor Cleaners, of San Jose, are featuring special prices on a cash and carry basis. Their work is of the best for they have modern machinery and ample facilities for quick, dependable service. There are two branches of the Vapor Cleaning establishment in this locality. You may obtain service by calling J. Kirkish, Centerville, telephone number 140, or by calling J. L. Olsons, Decoto, telephone number 1.

The prices listed for regular cleaning work are moderate; seventy-five cents being the highest rate offered on the special now running.

The advertisement for Vapor Cleaners is now appearing in the Register. Look for it on one of the back pages.

CAMP FIRE GIRLS TO HONOR MOTHERS AT BANQUET FRIDAY

Tinega group of Camp Fire Girls, Niles, will entertain at a banquet Friday evening, March 21, in honor of mothers of all the members. Two guests will be present, Mr. and Mrs. William H. Ford, who have recently done so much for the group by donating a sum of money to be spent for its members, and the furthering of their work.

The banquet is to be served in the Sunday school room of the Niles Congregational church, and the Camp Fire girls are planning the menu. A great deal of thought and effort is being expended on behalf of this affair and it is expected that the girls will be rewarded with success.

Approximately fifty will be present in all, and Muriel Fournier, president of the group, will preside as toast-mistress. The program of the evening will be Camp Fire songs, speeches by various people, and a series of toasts.

Mrs. J. E. Townsend, guardian of the Tinega group, and Mrs. Elmer C. Brinkmeyer, assistant guardian, will supervise the girls in this undertaking.

169 LINKS MAKE CHAIN OF WESTERN AUTO SUPPLY CO.

Founder Tells of Progress In Fourteen Years

Fourteen years ago, this March, the first Western Auto Supply Company store was opened on the Pacific Coast. Today, 169 modern automobile accessory stores in the West, are celebrating the Anniversary of this company.

The first store was opened in Los Angeles in 1916. George Pepperdine, founder of the company and its present head, realized that the West with its network of highways and its wealth of unsurpassed scenery would eventually prove a drawing card for tourists from all over the country and shrewdly surmised that a series of automobile accessory stores properly managed, with an honest sales policy and liberal adjustment plan, would be an almost immediate success.

Expansion of the Western Auto Supply Company, in itself, represents the phenomenal progress of automotive transportation that has been matched with equally sensational progressiveness and aggressive, efficent merchandising methods by the now famous company.

From the meager capital and the enthusiasm of a small group of men has developed what commercial history has already recorded as a spectacular success in the fourteen years of rapid growth of the company. Its success in adequately and satisfactorily meeting the requirements of hundreds of thousands of automobile owners in the western field is reflected in the attainment of a tremendous volume of business in the Rocky Mountain and Pacific Coast territory.

GOLD LOVING CUP AWARDED FOR DAIRY HERD

A gold loving cup is now on exhibition at the Bank of Italy, Centerville, which is to be presented to the owner of the dairy herd showing the highest score for production of milk and butter fat over a given period. This cup will be awarded at the annual banquet of the Cow-Testing Association to be given at an early date at the El Lido restaurant, in the Gregory hotel building.

The cup is given by the Alameda-Santa Clara County Cow Testing Association. T. O. Morrison, county farm advisor, Hayward, is supervising the plans.

The association is working for the betterment of dairy herds, in an effort to increase production and raise the average for the herds. An individual record is kept of the cows and those showing a low average are taken from the herd.

Mrs. Frank Hayes motored to Los Angeles, where she is visiting friends. She will be away two or three weeks.

CEMENT LAID FOR 1,600 FEET ON MAIN STREET

Paving of Main street, Centerville, has progressed apace since weather conditions made steady work possible. William Brockett, resident engineer, reports that 1,600 feet of cement have been laid up to date; the strip on the east side, south of the Southern Pacific railroad tracks being completed, and construction on the east side, north of the tracks to be started immediately.

It is expected that three weeks will see final operations on the stret concluded, weather permitting.

Mr. Christensen is able to be moved from the Hayward hospital to the home of a friend. It is feared that it will be some time before he fully recovers.

CHAMBER MEMBERS SEE PICTURES OF COPPER INDUSTRY

Joseph Dias Presides At Meeting Of Local Commerce Body

Routine business was discussed at the weekly meeting of the Centerville Chamber of Commerce, held at the El Lido restaurant, March 13. Joseph Dias, principal of the Centerville Grammar school, presided as chairman of the day.

Following the business meeting Miss Adele Whelan, student at San Jose State Teachers' College, played two very inspiring violin solos, after which a motion picture depicting the copper industry was shown.

At the meeting of March 20, Charles G. Davis, manager of the San Leandro flower show, will give an address on the subject of flowers and gardening in this territory. Mr. Davis will be introduced by F. T. Dusterberry, president of the chamber.

Guests at the luncheon meeting were L. E. Smith, president of the Niles Chamber of Commerce; T. O. Morrison, farm advisor, of Hayward; and George Hess, manager of Morton's Salt Company, of Newark.

Carlsbad—Construction work on new California—Carlsbad Mineral Spring hotel and Clinic will be completed in March.

Martinez—Natural gas turned into mains by Coast Counties Gas and Electric company.

NEW CENTERVILLE SCHOOL ADDITION TO BE OCCUPIED

The new four-room school building erected on the grounds of the Centerville Grammar school is practically completed, and it is expected, so stated Joseph Dias, principal, that the lower grade classes will occupy them for the first time Monday morning, March 24. The material for the building is like that of the larger schoolhouse, and matches in color. An addition of four rooms was necessary due to the increase in number of students attending classes.

Delegates Elected To Attend Lodge Meeting

The local chapter of Knights of Pythias elected delegates recently to attend the grand lodge convention to be held in Sacramento the third week in May. Those elected are F. T. Dusterberry, of Centerville; and M. D. Silva, of Newark. Alternates are W. J. Rogers, of Newark, and J. D. Norris, of Centerville.

LOCAL COUNCIL TO INITIATE TWENTY CANDIDATES SOON

Centerville Council, No. 2692, Knights of Columbus, will initiate twenty candidates and confer the first degree upon them Thursday evening, March 27, at the Centerville lodge rooms.

Regular officers of the council will officiate, and following the business of the evening, a banquet will be served.

On April 3, the second degree will be conferred on 100 members from councils of Oakland, Alameda, Berkeley, and Hayward taking place at Centerville. Third degree work will be done April 6, at Hayward, and a large number of lodge members from various councils will be present.

BANQUET IS GIVEN BASKETBALL TEAM

Members of the Pleasanton Y. M. I. basketball teams and Coach George Patterson were guests of honor at a banquet given by the Young Men's Institute Athletic committee Friday night in that city. Practically all of the players were in attendance.

Coach Patterson was presented with a remembrance for his work in guiding the teams through a highly successful season. In making the presentation to the coach, the Athletic committee expressed its appreciation to everyone in the community who helped to make the season a success financially through attendance at the games.

Speakers of the evening included J. J. Amaral, Ernest W. Schween, Manuel Oliveira, Coach Patterson, Emanuel Mongoia, J. E. Bairos, and Jack Marsh. Music was furnished by Oscar Schreiber's orchestra.

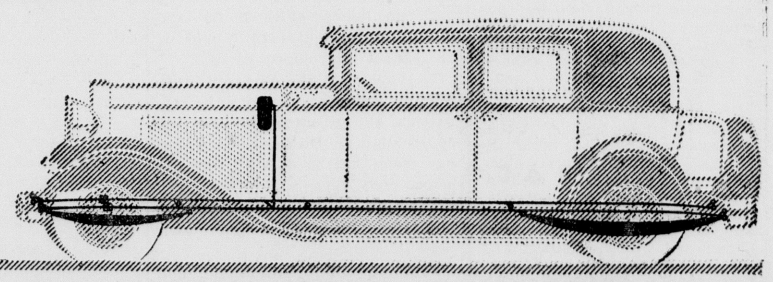
THE OIL CUSHIONED CHASSIS



CHASSIS PROTECTION, CHASSIS PERFORMANCE, that Nash alone Provides

NASH engineering has built an amazing amount of extra value and extra satisfaction into the 1930 Nash "400's." You will not find the *oil cushioned chassis* in any other car at the Nash price. ¶ Eventually, perhaps, but not now. And Nash offers you this superior chassis protection in both the Twin-Ignition Eight and Six. ¶ All Nash models, even the lowest priced, are equipped with an efficient, modern system of centralized chassis lubrication which eliminates the bother and uncertainty of hand greasing. ¶ In addition the Twin-Ignition Eight and Six have permanently lubricated springs, encased in steel spring covers. This means chassis bearings, including spring shackle bolts and springs, constantly bathed in oil. No squeaks, creaks or rust—*longer life!* ¶ And you will find the "400" price no higher than that of other cars without this valuable safeguard.

ELECTORS TO NAME TWO COUNCILMEN

Mayor Pickard, Councilman Garatti Seek Re-election at Pleasanton

Official call for the Pleasanton city election to be held April 14, was issued Monday night by council in an adjournel session. The election will be for the election of two councilmen for full terms of four years each.

Mayor A. B. Pickard and councilman Frank Garatti are the members of the board whose terms expire this year. Both will seek re-election.

Although no one to date has filed to run against either of the two men, current rumor about the city has it that at least one man will seek a seat on the city council. Applications for office have until noon of March 25 to file their papers.

Council decreed that there should be one precinct to be known as "Consolidated Election Precinct A" to compose the three election precincts of Pleasanton.

The polling place shall be the Forrester's Hall on Main street and the polls shall be open from 10:30 a. m. until 6:30 p. m. Monday, April 14.

The officials selected for the election were Wm. Davis, inspector, and the folowing assistants Mrs. Edith Ziegenfuss, Mrs. Caroline Bedsworth, and Bertha Powers. Fees for the election officials was set at five dollars, as has been the custom in the past.

MILK CODE TABLED FOR ONE MONTH

Pleasanton Council Delays Action On Ordinance Pending Study

Pleasanton's milk ordinance was tabled until next month by city council, of that city, at its meeting Monday night, in order to give the committee members and the council sufficient time to study the various sections of the new law before adopting it for final passage.

The ordinance however was officialy introduced at this week's meeting by Councilman Thomas J. Orloff, chairman of the judiciary committee.

During the past week the milk ordinance which provides for inspection of all milk to be sold or distributed in Pleasanton to undergo thorough inspection, was redrafted, a number of clauses struck out and several new ones added.

The ordinance is now in shape to be passed with the exception of the fixing of fees. The correct fees to be charged aroused considerable discussion Monday night, with a compromise figure of one-quarter of one cent per gallon being tentatively selected for the dairyman. For stores handling small amounts of milk and ice cream, it was tentatively decided that the fees should be fixed at 50 cents, one dollar and two dollars in accordance with the amount of milk sold.

Under this plan it was held that no burden would be placed on the small retailer whose sales vary from month to month, as with the sliding scale of fees, the retailer would pay only in proportion to the number of quarts sold during any thirty day period.

Before the ordinance is finally passed, it is the intention of council to have the Hayward milk inspector go over the proposed ordinance with them in order to smooth out any possible questionable sections.

HIGH SCHOOL OPERETTA IS IN READINESS

Second Annual Program At Pleasanton Offered Tonight

Amador Valley Union High school, at Pleasanton, will present its second annual operetta, "Riding Down the Sky," with a company of seventy-five on Thursday, March 20, at 8 o'clock. General admission tickets may be purchased from an Amador Don and may be exchanged at Letham's for a reserved seat ticket after Tuesday, March 18.

In order to give the people of that community the very best, Harry Tripp, director, selected "Riding Down the Sky," as superior to fourteen other excellent operettas. When he announced this preference, over forty students desired one of the twelve principal roles. Again Tripp was forced to choose with the utmost discrimination—this time his group of young leading actors. But parts in the chorus were open to everyone, and some fifty girls and boys responded.

What a chorus it has proved to be. Under Miss Malloy's training, these members mastered a series of unusual and picturesque dances. It is rumored that many of the principals fear that the chorus will out-shine the former's contributions as stars of the operetta. In addition to this already splendid attraction, Director Tripp will lead a fifteen piece orchestra which will accompany the singing and dancing.

Various committees have been elected by the students to advertise this production in every way possible. One of the most important of these units is the Poster committee with Fred "Buzz" Barton acting as chairman. According to 'Buzz' at least twenty-five posters, each one different from the rest, were made by Henry Vervais and Emma Giorgis. These artistic advertisements have been placed in conspicuous spots in Livermore, Dublin, and Sunol as well as in Pleasanton.

"Up to the present," Barton said, "We have been busily at work on the large double-sign which is now stretched across Main street. I am very interested in this sort of thing. I guess that is because I hope to be an advertising illustrator some day. But the way the whole school has rallied 100 per cent strong is enough to make anybody feel like working."

Besides the many arresting posters presented by Barton's committee, other publicity features are to be offered. Joaquin Perry said "Tell everybody that none should be alarmed if there is an airplane bombardment of handbills on March 20." Since Joaquin is the notorious comedian in the cast of characters, it is hard to detect whether he is truly serious or merely practicing his role in real life.

However, the spectacular parade scheduled for 10:30 Thursday morning is to be an actuality. Various and special features will be disclosed making the parade well worth seeing.

Garnet Fleming, Jean Trimingham and Murl Hurley have begun the painting of scenery for "Riding Down the Sky."

"Riding Down the Sky" will made its debut at the Masonic Home in Decoto Saturday.

Rent that spare room—Use

LEAGUE GAMES TO COMMENCE ABOUT APRIL 13

Y. M. I. Ball Club, Pleasanton, Gives Promise Of Good Team

Senior baseball will open in Pleasanton April 13, it was announced this week by the Athletic committee of the Y. M. I., which organization will sponsor the club. The opening game of the season will be preceded by a program of stunts, band concert, parade and a few short talks, it was said.

Jack Marsh, manager, and M. Mongoia, assistant manager, announced the probable starting line-up. It consists of several well known players, and others of state-wide repute.

Marsh stated this week that he felt too much credit had been given him concerning the ball club of last year when championships were won. Marsh originated the club and managed it for the first five games. He was called away for the greater part of the remaining season and the team was managed by Mongoia for the rest of the season. Mongoia deserves great credit for taking over the team and successfully carrying on with the result of two championships were won during 1929.

The first was from the Y. M. I. league, and the second from the Alameda county League. The cups awarded the club will be on display in H. Arendt & Co.' windows in the near future.

The probable line-up as announced by Marsh and Mongoia is as follows:

Mongoia, right field; M. Florence, center field; D. Fugi, first base; William McGlinchey, second base; Pete Staininach, shortstop; Duckey Grant, third base; William Governor, left field; G. Crommie, catcher; and L. Schultz, pitcher. Utility men are F. Viada, H. Pouse, and E. Nevin.

The first game will be either with Concord or Richmond it was said.

CHEVROLET
Chevrolet announces
A NEW
SERVICE POLICY

The Chevrolet Motor Company and its dealers are pleased to announce a new service policy—one of the most liberal ever offered on a low-priced automobile.

Put into force as a written agreement given to the purchaser by the Chevrolet dealer when the car is delivered—it offers the following provisions:

1 Every Chevrolet owner receives his car from the dealer in perfect condition—thoroughly lubricated, properly adjusted, and ready to operate efficiently from the first mile of ownership.

2 Every Chevrolet owner is entitled to free inspection and adjustment of his car at the end of the first 500 miles of usage.

3 Every Chevrolet owner is entitled to free inspection of his car every 1000 miles thereafter, so long as the car is in operation.

4 Every Chevrolet owner is entitled to free replacement of any part which may prove defective in workmanship or material, within the terms of Chevrolet's standard warranty. *This includes both parts and labor.*

5 Provision number 4 will be carried out by any Chevrolet dealer in the United States. As a result, the Chevrolet owner may travel to any part of the country, with assurance that the guarantee on materials and workmanship will remain in force.

This new policy constitutes proof of Chevrolet's high quality—for such liberal provisions could only be made in connection with a car built of fine materials to exacting standards of workmanship.

Back of this policy, and assuring its successful operation, is one of the most complete and efficient service organizations in the world.

There are more than 10,000 Authorized Chevrolet Dealer Service Stations in the United States alone. Each employs skilled mechanics thoroughly trained at Chevrolet Service Schools. Each has specially designed tools and machinery developed exclusively for Chevrolet service work. And each has on hand, at all times, an adequate stock of genuine Chevrolet replacement parts.

Chevrolet's flat-rate charges, including both parts and labor, are *the lowest in the industry on many service operations!*

In considering the purchase of a low-priced automobile, think what this service means—in terms of lasting satisfaction, as well as in increased economy.

Chevrolet cars range in price from $495 up, f. o. b. factory, Flint, Michigan

Announcing Another P·G·and E· Electric Rate Reduction

$2,400,000.00 Saving to Consumers

Now, electric rates for consumers of the Pacific Gas and Electric Company are reduced over Two Million, Four Hundred Thousand Dollars a year.

Lighting rates are cut to a maximum rate of 4½ cents per kilowatt hour for incorporated areas, with a similar reduction in all areas.

The new rates are of greatest benefit to the small consumer—the residence user, stores and offices. Substantial reductions have been made in commercial, industrial and agricultural power rates. Street lighting rates are reduced.

Domestic combination rates for consumers using lighting service and in addition having electric appliances for heating and/or cooking, are as low as 1½ cents per kilowatt hour. The new commercial lighting schedules provide for lighting rates as low as 2 cents per kilowatt hour.

These new schedules providing lower electric rates are designed to encourage liberal usage of electricity at low cost. The new rates are among the lowest obtainable anywhere.

ELECTRICITY IS CHEAPER — YOU CAN USE MORE — MAKE IT YOUR SERVANT

Let electricity brighten the gloomy corners. Let it do the cooking, ironing, washing. Let it sweep the floors, operate the electric fan, drive away chills. It will percolate the coffee, make the toast. keep food warm or cool and wholesome.

Modern electric appliances bring comfort, convenience and economy.

SUNOL -- DEPARTMENT --

(Too Late for Last Week)

ARBOR DAY FETE

The Sunol Glen P. T. A. is planning on an Arbor day program to be given at their next meeting. A tree is to be planted and dedicated to the school trustees who were serving at the time the new school house was built.. Mrs John Trimingham is the chairman of the committee and helping her are Miss Molly Buttner and Miss Mattie Trimingham. All members have been requested to be present. Everyone has been invited to attend this program which is to be given at the school house on Tuesday, March 25, at 2:30 P. M.

EVENING PARTY

Mr. and Mrs. Joe Silver were the guests of honor at an evening party at the home of Mr. and Mrs. H. A. Johnson Saturday evening. Bunco was played during the evening with Mrs. John Hirt and Art Sutton winning first prizes. Manuel Silver and Mrs. Pauline Brown won the "booby" prizes. After the games dancing was enjoyed by all until the wee small hours of the morning.

At midnight a delicious hot lunch was served by the hostess, after which dancing was resumed. Those attending were Mr. and Mrs. Arthur Brown, of Newark, Mr. and Mrs. John Hirt, of Lafayette, Mrs. Edward Blake, of Salt Lake City, Art Sutton, Mr. and Mrs. Manuel Silver and family, Mr. and Mrs. Jack Silver, and the guests of honor, Mr. and Mrs. Joe Silver.

Mrs. Edward Blake, Mrs. Joe Silver, Mrs. Jack Silver and Mrs. H. A. Johnson motored to Pleasanton and Livermore on business Friday.

Mr. Henderson, of Kilkare Woods, spent Thursday in San Francisco.

***

Mr. and Mrs. A. W. Ebright were callers in San Francisco on Thursday.

***

Mr. and Mrs. Joe Silver, Mrs. Edward Blake and Miss Elsie Chambers motored to San Francisco Wednesday evening.

***

Mrs. Leyard left for Oakland on a two weeks visit this week.

***

Robt. Ellis was business caller in Oakland Thursday.

***

Mrs. D. J. Hurley and Mrs. C. Freeman motored to San Jose Friday on business.

***

Mrs. Robt. Ellis spent Friday in Pleasanton at the home of her mother.

***

Mr. and Mrs. Arthur Brown, of Newark, were Sunol callers Sunday evening.

***

Mrs. M. Andrews made a business trip to Niles on Monday.

***

W. R. Anderson and A. Andrade were San Francisco callers Tuesday.

***

Mrs. Victor Johnson and family spent Sunday at the camp with her husband.

***

Miss Jean Trimingham entertained for a few of her high school friends at dinner Monday. The occasion was her birthday. Those present were Miss Joy Madsen and Ed Vervais.

***

Ole Anderson, of Niles Canyon road, was a caller in Oakland on Wednesday.

"SUNNYSIDE UP," NILES THEATER, THURSDAY NIGHT

Thursday night Janet Gaynor and Charles Farrell in "Sunnyside Up" heads the bill at Niles theater. Tarzan also features on the screen.

A double feature is the attraction for Saturday night. Joe E. Brown in "Painted Faces," an all talking picture, and Bob Steele, in "The Riding Renegade," an exciting western.

Sunday and Monday will bring Will Rogers and Fifi Dorsay in "They Had To See Paris," another all-talking production, and next week, Wednesday and Thursday, Victor McLaglen will be present in an all-talking starring vehicle, "The Black Watch."

PROPER RULES IN ARM SIGNALING ON PUBLIC ROADS

Arm Should be Extended Continuously For Fifty Feet

Use of proper arm signals to cut down the toll of automobile accidents on California's streets and highways, which last year claimed over 1,800 lives, is urged by the Safety Conference of the California State Chamber of Commerce, as part of its all-year educational campaign.

Motorists who fail to give proper arm signals, or who fail to heed them not only endanger the lives of themselves, but also, when they have a smash-up, are taking serious chances with what a jury will say. Proof of failure to signal is almost a certain guarantee that the jury will bring in a verdict for the plaintiff, sometimes amounting to many thousands of dollars.

The rules for signalling are: 1—Arm straight out for a left turn. 2—Arm straight up for a right turn. 3—Arm straight down for a stop or slow sign.

The signal must be given continuously for fifty feet before turning. Intelligent and careful observation of these rules will go a long way toward cutting down the traffic toll which amounted to over 1,800 lives on California's streets and highways last year.

"Decidedly Better"

MASTER BARBERS' ASSOCIATION HAS HAYWARD MEETING

$20,000 To Be Raised To Promote Sunday Closing

Owen Swainson, of the De Luxe Barber shop, Niles, attended a meeting of the Master Barber's Association of Alameda county in Hayward, Monday evening.

President Henry Mariner, of Berkeley, presided, and other officers present were J. E. Smith, of Oakland, vice-president, K. P. Buchanan, of Berkeley, second vice-president, and J. L. Gilde, secretary.

Several interesting and enlightening speeches were given, by various members of the association, regarding progress of the profession under the direction of the State Board of Barber Examiners, and under the strict ruling and enforcement of the sanitary laws of this profession. The names of violators of these laws were given, and amounts of fines told.

The code of ethics of the association was read; the following being some of the main rules set down: protection against infection at all times; courteous attention always, under any circumstances; sales should be of standard merchandise; treatments for scalp or facial defects should be suggested or given only when needed; preparations, and their ingredients should be explained, their use, and results of application, if possible to tell to a certain degree. All these mentioned are for the benefit of the patron, and a satisfied patron is the paying one.

Post graduate courses in barbering, massage, scalp and face treatment, were recommended for members of the organization, for otherwise one is not in a position to offer best services to the public.

Sunday closing was discussed and it was decided that a movement should be inaugurated to appropriate $20,000 for furthering of such. It will be put before the public at the next election, and citizens are urged to consider all points of the question before voting.

In summing up the program of the evening the following subjects predominated as the most important: qualifying for systematic study of the upper body, circulation of the blood, nervous system, muscles and their functions, hair, scalp, and better treatment scientifically for same. If such subjects are studied in a serious manner it can mean only one thing and that is better business, a natural result.

Kentfield—Passenger depot will be constructed at this place by the Northwestern Pacific railroad.

Yreka—Odd Fellows Hall, repaired since damaged by fire, opened to public.

ANNOUNCEMENTS

FOR TRUSTEE W. U. H. S.

I hereby announce myself as a candidate for re-election to the position of trustee of Washington Union High School District. Your consideration is requested and your support will be appreciated.

Public Service *of the first order*

The young women who operate the telephone switchboards in this office are in a public service of the highest order.

Their task is to bring human voices together, on an instant's notice, tho the speakers be miles apart. Theirs is to watch carefully for the slightest imperfections in communication. Theirs is to be deft-fingered, courteous, obliging; to realize the enormous importance that may lie behind any call, at any hour.

Every telephone call that these young women handle is a personal transaction with valued customers of this company.

PLEASANTON LAD WRITES OF CUBA LIFE

Lewis Pimentel Finds Havana Highly Interesting Resort

Havana is a wonderful city, but very high priced, according to Lewis Pimentel, Jr., son of Mr. and Mrs. Lewis Pimentel, Sr., of Pleasanton, in a letter to his parents. Young Pimentel is with the government aviation corps and was recently on a tour to Cuba.

Pimentel tells many interesting things regarding the southern republic, but expressed a preference for the states. He has been in the service for three years and is planning on returning to Pleasanton at the expiration of his enlistment.

His letter follows:

Media Luna Cay, Cuba.
February 25, 1930.

Dearest Mother and Dad:

Here I am back from Havana again. After a wonderful trip and a pleasant time. I surely enjoyed myself while there the ten days. Havana is a wonderful city, pretty and leads a fast life. This is the winter season there for tourists and I met a few American tourists from the States. All rich people and they treated us real nice. We enjoyed their parties and they showed us a good time.

My two buddies and I did a lot of sight-seeing. We were to all the important places there. They have one of the largest horse race tracks. We spent one afternoon at the races, I spent an afternoon at their two air ports. They have the Pan-American Airway there that connects the United States with Rio de Janerio, Brazil and Argentine. Nearly all of the rich people fly from Miami, Florida for the week-end. We were out to the Tropical Beer Garden where they make most of the beer in Cuba, also one of the largest in the world. We had a grand time altogether. I'll never forget that trip and you ought to see all the Spanish people come aboard our ship at visiting hours. The ship was full of visitors today. I surely had a wonderful time speaking Spanish, some of them said if I stayed in Havana another month I would speak almost as good as they. I get a big kick out of speaking Spanish, it's such fun. I'd like to spend two months in Havana. One thing it surely costs lots of money to live here in the winter months, everything is so high, on account of the winter tourist trade.

Out at the Pan-American air port the people told me I would stand a good chance of getting a job there with my experience in aviation but I'd much rather work somewhere where I can be near home. Four years will be enough for me away from home and I'm pretty sure I can secure a fair job in California in aviation. If I can't there is always other work to do.

We are leaving here for Guantanamo Bay sometime between the sixth and twelveth of March for practice with the fleet battle ships. We practice dropping torpedos at the battle ships, it will be lots of fun.

Now as I've written about all there is to write for tonight I will have to bid you all good night. Not forgetting to give my love to Mr. and Mrs. Perry. Say hello to everyone for me, and don't forget to write real soon please.

Your son,
LEWIS.

NOTICE OF ELECTION FOR TRUSTEE OF ELEMENTARY SCHOOLS

Notice is hereby given to the electors of Niles School District, County of Alameda, State of California, that the annual meeting for the election of school trustee will be held on March 28, 1930, (last Friday) at the public school house in said district.

There will be one trustee to elect for three years.

The polls will be open at 12 o'clock noon and kept opened until 6 o'clock p. m.

JOSEPH P. GOMES,
President.
THOS. B. MURPHY,
Clerk.

School Trustees, Niles School District.

Dated March 13, 1930.

Last Publication March 27, 1930
M. 13—20—27.

NOTICE TO CONTRACTORS

Notice is hereby given that sealed bid, will be received by the Board of Trustees of Washington Union High School District, of Alameda County, California, at the office of the President of said Board, Mr. Fred F. Dusterberry, in the present High School Building, in the town of Centerville, Alameda County, California, until Saturday, the FIFTH day of April, 1930, at TWO o'clock P. M., at which time said bids will be opened for furnishing all labor and materials and mechanical workmanship required for the erection and completion of a one-story re-enforced concrete Gymnasium building for the Washington Union High School District, to be erected on the grounds of the Washington Union High School Building, at Centerville, California, in said High School District.

Said work shall be completed in accordance with the complete plans and specifications for said work on file and open for inspection at the office of the architect, Mr. Birge M. Clark, 310 University Avenue, Palo Alto, California, and on file with the president of the Board at said High School Building, hereinbefore mentioned. Copies of said plans and specifications may be obtained at either place by depositing with the party from whom the said plans and specifications are obtained, the sum of twenty ($20.00) dollars. If the plans and specifications are not returned to the President of said Board or to the said Architect or are returned in a mutilated or damaged condition, the deposit shall be retained by the said High School District as agreed and liquidated damages for said mutilation or detention and will be immediately used for the purchase of a new set of blue prints and specifications.

Each bid must be made on proposals obtained at the office of the Architect or at the office of the President of said High School Board and must be signed by the bidder and accompanied by a certified check for at least ten per cent, (10%) of the amount of the bid or proposal, certified to by some responsible bank or banker, and made payable to the Washington Union High School District of Alameda County, California, to be retained by said High School District as agreed and liquidated damages, should the party or parties to whom the contract should be awarded fail to enter into the contract after the award, or to give the bond required for the faithful performance of the contract or any bond required by law.

Bids will be opened by the said Board of Trustees of Washington Union High School District on Saturday, the FIFTH day of April, 1930, at the hour of TWO o'clock P. M., at the office of the President, located in room three (3) in the present High School Building in the town of Centerville, Alameda County, California, in said High School District.

The Board reserves the right to reject any and all bids or any or all items of such bids.

Dated: March 11, 1930.

F. V. JONES,
Secretary of the Board of Trustees of Washington Union High School, Centerville, California.

NOTICE

OF HOLDING SPECIAL ELECTION IN ALAMEDA COUNTY WATER DISTRICT FOR THE PURPOSE OF VOTING ON THE QUESTION OF INCURRING A BONDED INDEBTEDNESS BY SAID DISTRICT IN THE SUM OF $250,000 FOR THE PURPOSE OF ACQUIRING A WATERWORKS SYSTEM.

NOTICE IS HEREBY GIVEN to the qualified electors of Alameda County Water District that the Board of Directors of said district has called and ordered to be held in said district a special election for the purpose of voting on the proposition stated in the resolution of said Board of Directors calling said election, which said resolution was duly passed and adopted by said Board of Directors on the first day of February, 1930, and a full, true and correct copy of which resolution is as follows, to wit:

"A RESOLUTION CALLING FOR A SPECIAL ELECTION FOR THE PURPOSE OF SUBMITTING TO THE QUALIFIED ELECTORS OF ALAMEDA COUNTY WATER DISTRICT A PROPOSITION FOR INCURRING A BONDED INDEBTEDNESS OF SAID DISTRICT IN THE SUM OF $250,000 FOR THE ACQUISITION OF A WATERWORKS SYSTEM; DECLARING THE NECESSITY OF INCURRING SUCH INDEBTEDNESS; STATING THE PURPOSE THEREOF; DECLARING THAT THE WHOLE OF SAID DISTRICT WILL BE BENEFITTED THEREBY; THE AMOUNT OF THE INDEBTEDNESS TO BE INCURRED; THE MAXIMUM TERM THE BONDS ARE TO BE ISSUED; THE RATE OF INTEREST TO BE PAID THEREON; FIXING THE DATE OF SAID ELECTION AND THE MANNER OF HOLDING THE SAME; AND PROVIDING FOR THE CONSOLIDATION OF SAID ELECTION WITH THE GENERAL ELECTION TO BE HELD IN SAID DISTRICT FOR THE ELECTION OF DIRECTORS.

WHEREAS the Board of Directors of Alameda County Water District on the 4th day of January, 1930, duly adopted a resolution wherein it was determined and declared that it was necessary for said district to incur a bonded indebtedness, stating the purpose for which the proposed bonded debt was to be incurred and the amount thereof, and fixing a time and place of hearing thereon;

AND WHEREAS said Board of Directors on the 1st day of February, 1930, by resolution duly passed and adopted on said date, determined that the whole of Alameda County Water District would be benefitted by the accomplishment of the purpose therein stated and by the issuance of bonds of said district in the amount of $250,000 for the purpose of acquiring said waterworks system.

NOW, THEREFORE, BE IT RESOLVED by the Board of Directors of Alameda County Water District, as follows:

Section 1. That the Board of Directors of Alameda County Water District deems it necessary to incur a bonded indebtedness in the amount of $250,000 for the purpose hereinafter set forth; that it is necessary for said district to incur such bonded indebtedness and this Board of Directors so finds, determines and declares.

Section 2. That the purpose for which the proposed debt is to be incurred is the acquisition of a waterworks system, including lands, water, water rights, watersheds, wells, rights of way, pumps, pumping plants, reservoirs, storage facilities, pipe lines, canals, conduits, mains, machinery and other works, properties, appliances, rights and privileges useful or necessary to convey, supply, store or otherwise make use of water for the benefit of said district.

Section 3. That the whole of said Alameda County Water District will be benefitted by the accomplishment of said purpose and by the incurring of said bonded indebtedness in the said sum of $250,000, all in accord with the determination of this Board of Directors as expressed in its resolution adopted on the 1st day of February, 1930.

Section 4. That the amount of debt to be incurred by said district is the sum of two hundred fifty thousand (250,000) dollars.

Section 5. That the maximum term the bonds to be issued shall run before maturity shall be thirty (30) years after the date of said bonds, and said bonds shall mature and be payable as follows:

$10,000 principal amount of said bonds shall mature in each of the years 1935 to 1959, both inclusive.

Section 6. The rate of interest to be paid on said bonds shall be five (5) per cent. per annum, payable semiannually (except that the interest for the first year shall be payable in one installment at the end of such year).

Section 7. The proposition to be submitted to said electors shall be as follows:

"Shall Alameda County Water District incur a bonded indebtedness in the sum of $250,000, for the purpose of acquiring a waterworks system, including lands, water, water rights, watersheds, wells, rights of way, pumps, pumping plants, reservoirs, storage facilities, pipe lines, canals, conduits, mains, machinery and other works, properties, appliances, rights and privileges useful or necessary to convey, supply, store or otherwise make use of water for the benefit of said district?

Section 8. A special election is hereby called and ordered to be held in said Alameda County Water District on Tuesday, the 25th day of March, 1930, at which election there shall be submitted to the qualified electors of said district the proposition hereinabove set forth. Said Board of Directors does hereby submit to the qualified electors of said district at said special election the said proposition and designates and refers to said proposition in the summary thereof set forth in the ballot hereinafter prescribed for use at said election

Section 9. The polls at the polling places at said election shall be opened at six o'clock A. M. and shall be kept open continuously thereafter until seven o'clock P. M. on the day of said election, when said polls shall be closed (except as provided in Section 1164 of the Political Code of the State of California), and the election officers shall thereupon proceed to canvass the ballots cast thereat.

Section 10. Said special election shall be held and conducted and the votes thereat canvassed, and the returns thereof made, and the result thereof ascertained and determined as herein provided, and in all particulars not prescribed in this resolution said election shall be held in accordance with the general election laws of the State of California so far as the same shall be applicable. The returns of said election shall be made out and signed by the election officers and shall be by them deposited with the Secretary of this district, together with the ballots cast at said election, and the Board of Directors of this district shall meet and canvass said returns on the first Monday following said election, to wit, on the 31st day of March, 1930, at the hour of 3:30 o'clock P. M., and if upon such canvass it shall be found that said proposition carried, then bonds of said Alameda County Water District in the aggregate principal amount of $250,000 shall be issued and sold by said district as aforesaid, and if upon such canvass it shall be found that said proposition failed to carry, the result thereof shall be entered accordingly.

Section 11. The election hereby called and the general election to be called by the Board of Supervisors of Alameda County (pursuant to the order and election proclamation of said Board) for the purpose of electing directors in said district, shall be and are hereby consolidated and shall be held in all respects as if there were only one election, except as herein otherwise provided, and only one ticket or ballot shall be used thereat. Said ballots in addition to the heading or caption thereof, instructions to voters and any other matter properly thereon, including that pertaining to the election consolidated with the election called hereby, shall have printed thereon the following, to wit:

PROPOSITION: Shall Alameda County Water District incur a bonded indebtedness in the sum of $250,000, for the purpose of acquiring a waterworks system, including lands, water, water rights, watersheds, wells, rights of way, pumps, pumping plants, reservoirs, storage facilities, pipe lines, canals, conduits, mains, machinery and other works, properties, appliances, rights and privileges useful or necessary to convey, supply, store or otherwise make use of water for the benefit of said district?	YES NO

The precincts, polling places and officers of election hereby called shall be the same as those set forth in the election proclamation and order of the Board of Supervisors calling said general election within said district hereinbefore referred to, which election proclamation and order is hereby referred to for a designation of the precincts, polling places and officers of said election called hereby.

Section 12. Each voter to vote for said proposition hereby submitted and for incurring a debt therefor shall stamp a cross (X) in the blank space opposite the word "YES" on the ballot to the right of such proposition, and to vote against said proposition hereby submitted and against incurring a debt therefor shall stamp a cross (X) in the blank space opposite the word "NO" on the ballot to the right of said proposition. All voters qualified at the time of said election to vote at state and county elections in said district, or otherwise entitled to vote by the laws governing such special elections, and who reside within such voting precincts within said district, but no others, shall be qualified to vote at such election.

Section 13. The Secretary of this district is hereby directed to cause notice of said election hereby called to be published for two (2) weeks in the "The Township Register," a newspaper of general circulation printed and published in said Alameda County Water District and which newspaper is hereby designated by this Board of Directors as the newspaper in which such publication shall be made.

Section 14. This resolution shall take effect immediately."

NOTICE IS FURTHER GIVEN that said election will be held on Tuesday, the 25th day of March, 1930. The polls for said election will be kept open continuously on said day of election from six o'clock A. M. until seven o'clock P. M., when the same shall be closed (except as provided in Section 1164 of the Political Code of the State of California).

Said special election has been consolidated with the general election to be held in said district on said date, as called or to be called by the election proclamation and order of the Board of Supervisors of Alameda County, and the precincts, polling places and officers of election for said special bond election shall be the same as those set forth in said election proclamation and order of said Board of Supervisors of Alameda County and for the purpose of said election, six special bond election precincts are hereby established and fixed as the election precincts of said Alameda County Water District for the purpose of said election and are the precincts into which said Alameda County Water District is hereby subdivided. Said precincts embrace the territory of said Alameda County Water District included in the precincts last established by the Board of Supervisors of Alameda County for general election purposes, as hereinafter specified, to wit:

SPECIAL BOND ELECTION PRECINCT NO. 1

(consisting of all that portion of Alameda County Water District embraced in Niles Precinct No. 1, Niles Precinct No. 2 and Niles Precinct No. 3 as last established and defined by the Board of Supervisors of Alameda County, State of California, for general state and county election purposes.)

Judge: M. D. Silva.
Clerk: Mrs. Mary L. Cokefair.
Clerk: Mrs. Emily S. Rieder.

SPECIAL BOND ELECTION PRECINCT NO. 5

(consisting of all that portion of Alameda County Water District embraced in Irvington Precinct No. 1, Irvington Precinct No. 2 and Warm Springs Precinct, as last established and defined by the Board of Supervisors of Alameda County, State of California, for general state and county election purposes.)

Polling Place: Maple Hall, Irvington, California.
Inspector: Robert J. Wright.
Judge: Isidore Peixoto.
Clerk: Mrs. Jane S. Blacow.
Clerk: Miss Clarisse C. Hirsh.

SPECIAL BOND ELECTION PRECINCT NO. 6

(consisting of all that portion of Alameda County Water District embraced in Alvarado Precinct No. 2, Alvarado Precinct No. 1 and Mt. Eden Precinct, as last established and defined by the Board of Supervisors of Alameda County, State of California, for general state and county election purposes.)

Polling Place: I. O. O. F. Hall, Alvarado, California.
Inspector: James Logan.
Judge: Joseph George.
Clerk: Mrs. Fannie R. Robie.
Clerk: Mrs. Rose Hendricks.

NOTICE IS FURTHER GIVEN that said election shall be held and conducted, and the results thereof canvassed and ascertained in all respects as provided in said resolution of the Board of Directors of Alameda County Water District hereinbefore set forth, and that the proposition to be submitted at such election shall be the proposition designated in said resolution and in the form of ballot prescribed therein for use at said election. Every qualified voter residing within said voting precincts, but no others, shall be entitled to vote at such election. Reference is hereby made to said resolution of the Board of Directors of Alameda County Water District calling said election and hereinbefore set forth at length for further particulars.

BY ORDER OF THE BOARD OF DIRECTORS OF ALAMEDA COUNTY WATER DISTRICT.

Dated, February 1, 1930.

CHRIS RUNCKEL,
Secretary, Alameda County Water District.

will not pay, if the situation has been correctly diognosed by men who should know what they are talking about. One good crop on lands now practically idle will take care of that quarter of a million. And the reflection in quickened trade and more general employment will benefit everyone, at least in a small degree.

But at any rate, vote. Express your opinion in a concrete way—in the way that this great democracy has given you as a favored and powerful citizen of the world. And after the election is over, accept with good and becoming grace the majority will.

NILES CLEANERS TO RAISE PRICE ON APRIL 1st

The Niles Cleaners and Dyers have announced that on and after April 1, prices will be raised to $1.00, instead of the present seventy-five cents rate.

Ed. Haynes, proprietor, urges all who need clothes cleaned or dyed to take advantage of this opportunity while it lasts, for March 31 will be the closing day on special prices. The Niles Cleaning and Dyeing establishment is open each evening until seven-thirty, and expert service may be obtained by patronizing this place.

An advertisement carrying the list of current rates for cleaning is appearing in this issue of the Register. It can be found on the back pages.

Fortuna—Remodeling of Fortuna Merchandising Company's building on Main street, now underway.

Dunsmuir—Dunsmuir Bakery located at corner of Florence Avenue and Pine Street, changed hands.

PERSONAL ITEMS

Lawrence L. Vera, advertising manager of the Salinas Index-Journal, visited Lester Narvaez, of the Township Register Sunday.

Mrs. Jessie Wrigley Weathers, at one time a resident of Niles, has moved to Hayward, where she will establish a permanent residence. Mrs. Weathers has been living in Oklahoma for several years since leaving Niles.

Steve Cozzi and Alfred Lanfri, of San Francisco, and formerly of Niles, visited friends in this city Sunday.

Mr. and Mrs. E. J. Farrington, and Mr. and Mrs. G. R. Mohn and daughter, Greta, of Niles Canyon, were dinner guests at the home of Mr. and Mrs. F. P. Sherman, of Centerville, Sunday.

Miss Lillian Rose, of this city, was a week-end guest at the home of friends in San Francisco.

Miss Adelaide Martin visited friends in Hayward Sunday.

Mr. and Mrs. Milton Fournier and family, and Dr. and Mrs. R. H. Bennett visited, Sunday, at the home of Mrs. Fournier's mother, Mrs. Mary Stribley, of Berkeley.

Mr. and Mrs. Henry Walton, and Mr. and Mrs. P. A. Ellis visited at the home of Captain George Sperbeck, of Alameda, Sunday.

One table book
Roan Stallion, Tamar, Etc.—Jeffers

MORE ON Annual Wild

(Continued from Page One)

voted that Niles Chamber of Commerce would again sponsor a wild flower show for the community, to be held on April 19 and 20. The following people were appointed to compose a committee to take charge of the movement: J. E. Townsend, chairman; Jack Williamson, and E. Dixon Bristow.

Discussion was held regarding the appropriation of Niles' quota for paying transportation of the Washington Union High School Band to the state competition at Sacramento, which is to take place the later part of April. On motion made by L. J. Duffy, seconded by F. V. Jones, the president appointed the following committee members to devise ways and means of raising said quota: E. C. Brinkmeyer, chairman; William Helm, and Dr. H. E. Morrison.

Plans for the annual Chamber of Commerce banquet were also partly discussed, and the following were appointed to form a committee to perfect said plans: F. V. Jones, chairman, Dr. R. H. Bennett, and Kenneth Leash.

E. R. Vigor, of the Casson Paving Company, reported an encouraging response from property owners of Niles, who are signing up for completion of oiling the remaining unfinished portion of the Niles streets, which will not be done by Alameda county.

Thirty members were present at the luncheon meeting.

Mornitos—Champion Mining company took over the Ruth Pierce mine near here.

Rodeo—Work started on construction of $20,000 hotel building on corner of Third street and Highway.
